**The Well Played Life: Why Pleasing God Doesn't Have to be Such Hard Work**  
 by Leonard Sweet

"When did we get so addicted to work? We talk about *working* at our relationships, *striving* to improve our lives, & *pushing* ourselves to live a more God-filled mission. We feel especially proud of everything we're *doing* to try to please God—while we're slowly exhausting every ounce of our energy. But God never intended it to be that way..."
