High School (9th - 12th grade)

We would love to have our high schoolers help with middle school Bible study or Children’s classes. This role would entail helping lead teachers with the Bible studies and group activities. How better to live out our call as disciples than to serve as examples to others? *High Schoolers are also invited to join our Adult Covenant Bible Study if they want a more intense Bible study option. (See Jennifer Stewart for more info. on Covenant.)

*Our Adults have two options for Wednesday night small groups this spring. We encourage all adults to participate in Wednesday Night Live and gather with your church family for study and table fellowship! **Questions? Contact Jennifer Stewart***

Adult Discipleship Classes 5:30—6:15pm (Dinner—6:15—7pm)

1) **Covenant Bible Study**— The Covenant Bible study is a 3 series study: Creating the Covenant, Living the Covenant and Trusting the Covenant. This spring we will begin our 2nd series together titled, **“Living the Covenant.” (New members are encouraged to jump in! It does not matter which series you begin with.)** Each participant will have their own guide book to direct weekly scripture readings . We will meet for 15 weeks this spring, continuing into April after Wed. Night Live ends, in order to slow our reading/discussions down a bit. This will allow more time for thoughtful discussion and a deeper understanding of the message. Books can be picked up from Jennifer’s office. Class meets in the 2nd Floor Resource Room and is led by Jennifer Stewart, Dennis Tedder & Melody Reese this semester. **Cost: \$12 for workbook** (The same study is also offered on Thursday mornings at 10:30am.)

2) **“Rest & Refuel”** - This class is designed for busy moms and working women who are looking for a place to take a deep breath and share joys, trials and advice with one another. This spring we will study **“12 More Women of the Bible: Life Changing Stories for Women of Today.”** Class meets on 2nd Floor – Room 202 and is led by Jennifer Stewart and Catherine Ryan.
