WEDNESDAY NIGHT LIVE

High School (9th - 12th grade)

Wednesday Night Live is a great place for our high schoolers to step up and lead. We would love any interested high schoolers who are willing to help with middle school bible study or Children's classes to contact Kari Morgan.

Time commitment: 5:15pm - 6:15pm

Our Adults have two options for Wednesday night small groups this semester. We encourage all adults to participate in Wednesday Night Live and gather with your church family for study and table fellowship!

Questions? Contact Jennifer Stewart Jennifers@fpcandersonsc.com 225-2551 / 276-1770

Adult Discipleship Classes 5:30—6:15pm (Dinner - 6:15 to 7pm)

- 1) Covenant Bible Study—** *Looking for a safe place to really deepen your faith in scripture? Join this small group!!*
This fall we will look at what it means to TRUST THE COVENANT that God made with our ancestors and how it still applies to us today. Each participant will have their own guide book to direct weekly scripture readings and reflections. We will meet for 10 weeks this fall and 10 weeks in the spring as we work through this scripture based study together. Books and reading assignments will be available the week prior to class beginning. Class meets in the 2nd Floor Resource Room and is led by Jennifer Stewart, Dennis Tedder & Chad Wright Pittman. Cost: \$12 for workbook (Also offered on Thursday mornings at 10:30am.)
- 2) "Rest & Refuel"** - This class is designed for busy moms and working women who are looking for a place to take a deep breath and share joys, trials and advice with one another. There is no outside reading required, but we will spend time each week reading and reflecting on selected passages. Class meets on the 2nd Floor in the Discovery Room (#202) and is led by Jennifer Stewart and Catherine Ryan.

Come join us at 6:15pm in the Family Life Center gym for a 45 minute fun workout. Zumba is a fitness program that combines Latin, international and current pop and country music with dance moves. Zumba routines incorporate interval training — alternating fast and slow rhythms — and resistance training. It is a beginner class and we do incorporate low-impact moves as well. Wear clothing that you can move freely in, shoes with a smooth tread, bring a small towel and a bottle of water. Then just enjoy the dance party!
